

Fjord Paper Flensburg GmbH · Husumer Str. 12 · 24941 Flensburg · Germany

To our valued business partners

Flensburg, September 1st, 2023

Mitsubishi HiTec Paper Europe (Flensburg mill) becomes Fjord Paper Flensburg

Dear business partner,

Founded in 1696 – reborn in 2023: Here we are, your innovative and sustainable "green paper mill". In a new look with new colours - a fresh, locally influenced and internationally oriented name.

"Moin", we are Fjord Paper Flensburg GmbH.

Our new shareholder Quantum Capital Partners has great plans for us.. Meanwhile, we are continuing the long tradition of papermaking in Flensburg. We will continue to manufacture all the products in Flensburg in our usual high quality and with the same reliability. Additionally, we have plenty of new developments and ideas for the future. Therefore, we are counting on the continuation of the existing successful cooperation with you.

As far as your contacts at our Flensburg paper mill are concerned, you can reach us or your contact person via our new e-mail addresses: firstname.lastname@fjordpaper.com.

1/2

Our new website, which will be updated with more content over the next few weeks, can be found at www.fjordpaperflensburg.de. Take a look for yourself!

We are very much looking forward to a successful future together with you.

Best regards from the Flensburg Fjord

Christian Holland-Moritz

CEO

Joachim Küster

Quantum Capital Partners is a fund manager that invests in spin-offs and other special situations across Europe. Quantum Capital Partners acquires companies with significant potential for operational improvement, growth, and development. As an active and responsible owner, Quantum Capital Partners works closely with local management to ensure that its subsidiaries implement a continuous development plan and growth strategy. Since its foundation in 2008, Quantum Capital Partners has acquired a wide range of companies from global leaders such as Robert Bosch, Stora Enso, Dürr, Airbus, Nestlé, Mahle, Tenneco, Norsk Hydro and Eaton. With 35 completed acquisitions since 2014, the Quantum Group is one of the most active investors in its sector.
